## AWARDS ENTRY GUIDELINES PLEASE READ

Please select the category you want to enter (more information on pages 2&3) read the entry criteria, and provide evidence/content that shows how your business or organisation demonstrates the criteria outlined in the bullet points.

You have up to 800 words (7000 characters) to demonstrate why you should win your chosen award. It is recommended that your entry uses all of the allocated word count. You can upload up to ten documents to support your entry.

Award entries close **February 28th 2019**. You can enter as many categories as you wish.

### AWARDS ENTRY DO'S AND DON'TS

Entries that 'show' rather than 'tell' will stand a better chance of recognition and becoming shortlisted. Don't just say your business is the best but demonstrate why. Also, clearly outlined entries using bullet points and sub-headlines will be easier for judges to read and analyse.

Some awards will also require evidence of financial

performance. Alongside your 800-word entry you can send in up to ten supporting documents. These can be certificates, evidence of financial performance, previous awards, accreditations, testimonials and others.

If you would like to send videos or any other supporting documents that you may not be able to attach, please send through to [editor@businessleader.co.uk](mailto:editor@businessleader.co.uk). Also, please note that when assessing your entry, the judge may want to call you to discuss elements of your entry or even visit your business. So please provide your telephone number and full address.

There is no cost for entering the awards. However, if you are shortlisted as a finalist you will need to book seats at the event and it is a condition of entry that at least one representative of your company attends. If you are a finalist in more than one award, or have already booked places, you do not need to book additional places.

If you have any questions regarding entering the awards please call one of the awards team on **020 3096 0020**.
